📍 Matauliweg 65, Paramaribo

## EDUCATION

VWO  2012 - 2016

Mr. Dr. J. C. de Miranda Lyceum

- S-pakket

First year BSc Mechanical Engineering  2016 - 2017

Anton de Kom Universiteit van Suriname

BSc Electrical Engineering  2017 - now

Anton de Kom Universiteit van Suriname

- Information Sciences - Computer Science

## WORK EXPERIENCE

Student-assistant  2018 - 2020

Anton de Kom Universiteit van Suriname

- for the following courses: electronics, object oriented programming and introduction to computer science

Student Representative  2017 - 2020

Anton de Kom Universiteit van Suriname

- Cohort Representative 2017-2019
- Electrical Engineering Representative 2019-2020

All-rounder  2010 - now

G-An's Bakery

- Baker, administration, orders, deliveries.

## EXTRACURRICULAR

Personal development training  2018

School of Soham

training in critical thinking, public speaking, time management and goal achievement.

Management training  2017

Studentenzaken AdeKUS

Training in time management, conferencing, budgeting and teamwork.

## ACHIEVEMENTS

🏆 3<sup>rd</sup> place it-core Hackomation 2019  
Automatic scanner for paper to pdf archives, developed with peers

🏆 2<sup>nd</sup> place it-core Hackomation 2022  
Designed and build an Autonomous quadcopter for easy package delivery to rural places

## STRENGTHS

Hard working

troubleshooting skills

Inquisitive

Critical

Analytical

Team-player

Leadership qualities

## SKILLS

Matlab\Simulink

Aws

C\C++

Java

SQL

JavaScript

Typescript

NoSQL

HTML/CSS

## LANGUAGES

Dutch

English

Other: Sranan, Sarnami

## HOBBIES

Playing guitar

Strategic games

Development boards tinkering
